

Gift Band Summary

The **Gift Band Summary** viewport displays dollar and donor performance by Giving Level over a five year period. All metrics are within the context of the selected school/unit giving designations, primary relationship types, measurement and time period.

Key Definitions:

- **Cash:** Includes gift and pledge payment transactions designated to annual giving. This reflects actual dollars received during the period and donors who paid during the period.
- **Commitment:** Includes gift and pledge transactions designated for annual giving. This reflects dollars generated/committed during the period, and donors who made any commitment during the period, whether or not they paid during the period.
- **Pledge:** Includes only pledge transactions designated for annual giving.
- **Giving Level:** The range of total credited (i.e. soft credit and hard credit) annual giving of the selected measurement (Cash, Commitment, or Pledge) for an entity in the given time period.
- **Dollar Performance:** The total legal amount of annual giving transactions. This includes only transactions designated to one of the selected school/unit giving designations, and from entities with one of the Primary Relationship Types selected.
- **Donor Performance:** The number of unique entities with a donor qualifying transaction (donor indicator is set to true on the transaction) to annual giving. This includes only transactions designated to one of the selected school/unit giving designations, and from entities with one of the Primary Relationship Types selected.
