

Granted Amount by Month

The **Granted Amount by Month** viewport displays the Granted Amount in dollars per month for the selected fiscal year and compares that to the previous year. This provides a helpful look at granted amount performance compared to the previous year. In addition, it allows you to visualize the monthly trends to see if there is a more likely set of months for proposals to be granted. For the purposes of this report, the proposal is considered granted if the Granted Date occurs in the corresponding month.

Click on any of the bar results within the chart to display a list of prospects that make up the results.

Key Definitions Related to this Viewport:

- **Granted Amount \$:** The sum of the granted amount of proposals that have a proposal status of approved and an acceptance date in the selected time period.
