

Version 4.8.5 - April 19, 2019

This list consists of key new features, as well as issues reported by or of interest to customers. It is not an exhaustive list of updates.

Bug Fixes/Maintenance

1. An issue that prevented certain users from being able to save a Proposal in Activity Center has been resolved.
2. Proposals with a status set to Do Not Map will now more consistently appear across different viewports and dashboards.
