Week of August 26 - August 30, 2019

This list consists of key new features, as well as issues reported by or of interest to customers. It is not an exhaustive list of updates.

Bug Fixes/Maintenance

1. An issue that prevented certain users from being able to log back in, after being logged out, has been resolved.
2. In Volunteer Network Fundraising, the Assigned Volunteers column can once again be added to the Assignments section without causing issues in the results.
3. In the Prospects viewport in Console, the logic has been updated to ensure that inactive prospects are excluded.
