Target Ask Amount by Month

The **Target Ask Amount by Month** Viewport displays the expected pipeline of proposals for various forecast periods (e.g. 3 Months, 6 Months, 12 Months, 24 Months, and 36 Months). This Viewport aggregates the total Target Ask Amount for each month based on the Target Amount and Target Date fields associated with the selected officer(s) active proposals. You must track Target Amount and Target Date in order for data to populate to this Viewport.

Use the drop down menu to select a different forecast period within the selected fiscal year.

This Viewport is only available for the active fiscal year or calendar year. When previous fiscal years or previous calendar years are selected, no data will display.

Hovering over a bar on the chart will display the total Target Amount for that month. Click the bar to display a list of the proposals that correspond the the criteria of the chart.

Key Definitions Related to this Viewport:
