Longest Open Proposals - Project Reporting

The **Longest Open Proposals** viewport displays proposals that have been open the longest based on when the proposal was created. This viewport only shows proposals with an open or pending Proposal Status (i.e. not Approved, Cancelled, or Declined).

Click on the **Proposal ID** to see the **Proposal Detail** window.

Key Definitions Related to this Viewport:

- **Target Amount:** The amount the officer(s) will ask for.
- **Target Date:** The date the officer(s) plans to make the ask.
- **Status**: This reflects the current status of the proposal (i.e. In Development, Pending, etc).
- **Days Opened:** The number of days that have passed since the proposal was created.
