Week of October 14 - October 18, 2019

This list consists of key new features, as well as issues reported by or of interest to customers. It is not an exhaustive list of updates.

Improvements

1. A new viewport "Proposal Status Distribution by Peer Group" was added to Major Giving > Officer Performance.
2. Several viewports that include a "Submitted > $100K" column for proposals have been updated to instead use ">= $25K" instead.

Bug Fixes/Maintenance

1. Facebook login was removed from the volunteer portal of Volunteer Network Fundraising.
2. An issue preventing certain viewports from updating when page filters were changed has been resolved.
3. The Related Contact Reports field has been restored when creating a Task in Activity Center.
