Ask Amount and Granted Amount by Month - Project Reporting

The **Ask Amount and Granted Amount by Month** viewport displays the number of proposals submitted each month compared to the number of proposals granted in that same month in a side by side comparison. It will show all proposals asked or granted in the time frame selected in the Start Date and End Date filters at the top of the page.

Click on any of the bar results within the chart to display a list of the proposals that make up the results.

Key Definitions Related to this Viewport:

- **Submitted:** Proposals that have an Ask Date within the selected time period
- **Granted:** Proposals that have a Granted Date within the selected time period
- **Proposal Value:** The summary of the Ask Amount (for Submitted) or Granted Amount (for Granted) for that month
