

# Volunteer Network Fundraising - 08/2022

While the majority of Volunteer Network Fundraising releases have been focused on behind-the-scenes improvements, here are a few highlights of recent updates for August 2022. Note, this is not an exhaustive list of updates.

- We resolved an issue when adding an email address hyperlink in the body of a notification message doesn't let the user save the notification.
- We resolved an issue where Volunteer Network Fundraising did not appear in the solution menu from the top navigation bar.
